Rumtek Monastery

Rumtek Monastery is one of the biggest monasteries in Gangtok. This Buddhist monastery is the finest place in Gangtok to experience Tibetan culture and Buddhist ways of life. The monastery is located on a small hill and offers views of the surrounding region of Gangtok. Rumtek Monastery was earlier called Dharma Chakra and is a center that preaches the principles of the Kagyu sect of Tibetan Buddhism. You can interact with the monks in this monastery and learn a bit about the culture and ways of life. you will find interesting Tibetan architecture in the monastery and the decor inside is worth watching for its beautiful Tibetan styles, sculptures, thangka paintings, manuscripts, and various other historical artifacts. A visit to this monastery will give you an idea about the Tibetan culture in Gangtok.

- **Recommended duration of visit: 60 minutes**

Ban Jhakri Falls

One of the famous waterfalls in Gangtok which you will visit in this Gangtok one-day sightseeing tour is Ban Jhakri Falls. The waterfall is very beautiful and unique in Gangtok. The water falls from a height of 40 ft making a very picturesque sight. There are various statues here of famous Tibetan monks and deities. Ban Chakri waterfall is like a picnic place where you can relax for some time in a peaceful and scenic environment.

- **Recommended duration of visit: 70 minutes**

Namgyal Institute of Tibetology

If you want to experience Tibetan culture in Gangtok, then one of the places you can visit here is the Namgyal Institute of Tibetology. You will experience the mystic Tibetan heritage and culture in this Institute through various objects and exhibits. The museum here has some priceless and rare Tibetan objects, manuscripts, sculptures, and other relics. The library over here has many ancient Tibetan manuscripts, which are very carefully preserved. You can view all the exhibits of the institute on this tour. The Namgyal Institute of Tibetology has preserved Tibetan art, history, architecture, literature, philosophy, and religion over the years through research.
