This is a very scenic place and has tremendous natural beauty. We will stop by Chungthang Viewpoint and admire the outstanding views of the snow-capped mountains and river streams meandering through the mountainous landscapes. Chungthang is famous for being near the Kanchenjunga National Park. On the route, we will visit Tashi View Point, Seven Sisters Waterfalls, and Naga Falls. On arrival in Lachen, we will check in at our hotel and spend the rest of the day at leisure.

Day 2 - Day trip to Gurudongmar Lake and back

We will do a day trip to Gurudongmar Lake on this day from Lachen. We will start very early at 4 am and pass through the rugged terrain of Kanchenjunga National Park to reach Gurudongmar Lake. We will pass through alpine pastures and mountain valleys. This lake is named after the historic and famous Tibetan monk Padmasambhava. It ranks among the high-altitude lakes in the world and is an immensely scenic lake. Huge mountains envelop the lake from all sides and cast their reflection on the lake. The lake is the source of the Teesta River. The banks of the lake are filled with grass and flowers and shepherds come here to graze their yaks and sheep cattle. Later visit Lachung and visit Chungthang, Bhim Nala Waterfall, and Holy Rock and view the confluence of Lachen Chu and Lachung Chu rivers at Chungthang. Overnight stay at Lachung.

Day 3

Day 3 - Yumthang Valley

Today we will visit one of the immensely scenic valleys in Sikkim, which is Yumthang Valley. If you are visiting this place in the right season, you can see the entire valley carpeted with flowers.
