Your fifth day in this luxury Himachal tour package is dedicated to experiencing the higher-altitude landscapes around Manali ,but in a way that remains comfortable, flexible, and premium.

After a relaxed breakfast at your hotel, you begin your private excursion towards Solang Valley or further towards the Atal Tunnel region (Sissu side) depending on weather and road conditions. Your private cab ensures a smooth journey, allowing you to enjoy the changing landscapes without any stress.

As you move higher into the mountains, the scenery transforms dramatically ,open valleys, snow-covered peaks (seasonal), and vast alpine stretches begin to define the surroundings. The air becomes crisper, and the environment feels more expansive.

At Solang Valley, you have the option to experience adventure activities such as paragliding, snow-based activities (in winter), or simply enjoy the panoramic views. The key difference in this premium shimla manali tour is that everything is optional and paced according to your comfort.

If the itinerary extends towards the Atal Tunnel and Sissu Valley, the experience becomes even more exclusive. Crossing the tunnel opens up a completely different landscape ,less crowded, more pristine, and visually striking.

You may stop at Sissu Lake or nearby viewpoints, where the surroundings feel untouched and serene. This part of the journey often becomes one of the most memorable highlights of the trip.

After spending sufficient time exploring, you return to Manali in your private cab.

The evening is kept relaxed, allowing you to unwind after the day’s excursion. You can enjoy your hotel’s amenities, have a quiet dinner, or simply relax in your room with mountain views.
